Addendum #2

Date: November 9, 2026

To: All Project Bidders and Holders of Project

Subject: Addendum #2
H&P Project # 20250492
Route 130 & 210 Water Line
Amherst County, VA

All contractors, subcontractors, suppliers, and vendors submitting Proposals on or related to this project shall incorporate in their proposals all items as described herein, and further, shall acknowledge on the Bid Proposal Form, the receipt of this Addendum.

Item One: Federal Requirements

1. There will be no federal reporting requirements on this project.

Item Two: Revised Bid Form

2. The revised bid form has been updated and attached to this addendum.
    a. Line item B1.1, Directional Drill 12" HDPE Pipe has been added.
    b. Line item B1, quantity has been adjusted.

Item Three: Questions

3. Would it be possible to add a line item for directional drilling on Route 210?
    a. Line item B1.1 has been added to the bid form for directional drilling.

4. Is the alternate quantity for portions of the installation or the entire replacement?
    a. The alternate quantity is for the entire replacement of the Route 130 project.

5. Is the entire 940 LF on Route 210 to be installed using horizontal directional drilling, or is some to be conventional open-cutting trenching?
    a. The portion of the waterline, in front of the guardrail, is to be installed via horizontal directional drilling. The remaining portion of the water line is up to the contractor's discretion. See revised bid form.

6. Are bidders permitted to submit a bid for Contract A only, or Contract B only? Or must bidders submit pricing for both contracts in order to be considered responsive?
    a. Bidders are not required to submit bids for both Contracts. If a bidders chooses to submit bid for only one contract, that is considered a responsive bid.

7. Since the solicitation indicates that the Authority reserves the right to split the award between different bidders, will the Authority consider awarding Contract A and Contract B independently?
    a. Yes, the Authority will consider awarding each contract independently provided that it is in the best financial interest for the Authority.

Addendum #2

8. Is there a geotechnical report included in the bidding documents?
    a. No, there is no geotechnical report included in the bid documents.

9. What is the budget for the construction of this project and what is the Engineer's estimate for this project?
    a. The budget for this project is $1,525,000.

End of Addendum 2
